Hi Wendy and Karen,

We received a public records request from an individual named Kevin Barlow (no affiliation provided) asking for Dr. Stanley Perlman's emails. The following records have been requested:

all records sent from stanley-perlman@uiowa.edu to the following addresses: danielle.e.anderson78@gmail.com, kga1978@gmail.com, any address within the @ecohealthalliance.org domain, LDu@nybc.org, rbaric@email.unc.edu, shibojiang@fudan.edu.cn from January 2018 to March 2020. Please exclude newsletters, publications, and duplicate correspondence.

I believe Dr. Perlman is in the Carver College of Medicine. Could you please coordinate the retrieval of responsive records? Please note that only emails **sent from Dr. Perlman** are being requested (not emails he received).

If it will take longer than one hour to search for and compile responsive records, please let me know the time estimate.

Thanks!

Aubree
